

SAMPE Seattle Chapter

Society for Advancement of Material and Process Engineering

SAMPE Sponsors and Friends:

The SAMPE Seattle Chapter is fortunate to have strong backing from our many sponsors. Sponsors provide both a financial resource as well as diversity to our organization. We invite your organization to be a sponsor in 2012 which includes the following benefits:

- Your company website link will appear in the nine issues of the Seattle Chapter newsletter. Our newsletter is distributed in a timely manner to all chapter members, sponsors, and interested parties. Any person in your company can be on our email distribution list.
- You can post any job openings on our website that would be of interest to our membership.
- Your company banner will appear regularly on our website. Gold and Silver Sponsors will have a rolling logo display on the top of our website home page. Corporate Sponsors will have a rolling logo display on the bottom of our website home page. Corporate level banners should be up to 250 x 60 pixels in GIF or JPEG formats, Silver & Gold level banners should be up to 500 x 60 pixels.
- Sponsors may choose to have a tabletop display at the annual Puget Sound Materials Expo (PSME) to be held 28 February 2012 at the Museum of Flight from 2 to 6PM (keynote speaker beginning at 6PM). In 2011 we had over 275 visitors to the event and over 30 exhibitors.

Sponsorship fees for 2012 are as follows:

Corporate Sponsors - \$250 without a PSME tabletop display
\$425 with a PSME tabletop display

Silver Sponsors - \$1000
- includes a double-size PSME tabletop display

Gold Sponsors - \$2000
- includes a double-size PSME tabletop display
- company name and logo displayed at our monthly meetings

In addition to supporting the SAMPE Seattle Chapter operating expenses, sponsorship fees are used to support our two student chapters: Western Washington University and University of Washington.

Our chapter recently hosted the International SAMPE 2010 conference at the Seattle Convention Center which was a very successful and well attended event. The Annual International SAMPE conference will return to Seattle in 2014. We have an exciting year planned with an interesting technical program, the PSME in February and the famous Crab Feed in mid-summer.

Attached is a sponsorship statement. We look forward to your support of the SAMPE Seattle Chapter in 2012.
