

## PSME 2023 Sponsorship

SAMPE Seattle Sponsors and Friends:

The Seattle Chapter remains one of the strongest and most active chapters nationwide! Our continued commitment to student outreach activities and scholarships, virtual technical presentations and tours, and networking opportunities. Coming out of the pandemic, our chapter is committed to revitalizing our annual programming and student engagement.

We are holding the annual Puget Sound Materials Expo (PSME) this February! The remainder of 2022 and into 2023 is shaping up to include our Holiday Party, January chapter event, SAMPE Student Night, Crab Feed, Annual Golf Championship, and SAMPE 2023 Conference in April hosted by the Seattle and Midwest Chapters.

In addition to underwriting the Seattle Chapter costs, sponsorship fees are used to support our student chapters: Western Washington University, University of Washington, Washington State University, Oregon State University, Edmonds Community College, and newly formed Gonzaga University. The Seattle Chapter is proud to have more student participation than any other chapter in the nation!

The SAMPE Seattle Chapter is fortunate to have a strong backing from our sponsors. Sponsors provide a financial resource as well as diversity to our organization. We ask our current sponsors to continue supporting our chapter activities going into 2023. We also invite anyone interested in sponsorship of the Seattle Chapter to consider the benefits:

- Your company advertisement will appear in our monthly Seattle Chapter newsletter. Our newsletter is distributed in a timely manner to all chapter members, sponsors, and interested parties.
- Sponsors may choose to have a tabletop display at the annual PSME to be held **February 28, 2023** at [The Museum of Flight](#) in Tukwila, WA. In 2022, there were 24 exhibitors and over 100 visitors.
- Your company will be listed as a sponsor on our chapter web page, [www.sampeseattle.org](http://www.sampeseattle.org). A banner and your company web link will be displayed.

Your response by **January 20, 2023**, will be much appreciated.
